There was a new sport at Zane Trace this year — Cross Country. In this event, participants run a treacherous two mile course over various terrain. Some of the highlights of this year's team are as follows: the Reserves took first place at the Zane Trace Invitational, and the Varsity placed third in the Sectional at Rio Grande. Junior Glenn Steele was the Most Valuable Team Member, and the Most Outstanding Class Members were Marvin Whaley, Casey Hinton, Glenn Steele, and Tim Britton.

Varsity Basketball

The Varsity Basketball Team had a victorious season coached by Mr. Harry Smittle. They began the season successfully, and ended with a record of 14-4. Senior, Jeff Wright became the third in Pioneer history to reach 1,000 points. Jeff ended his career with 1,148 points. He was also voted Player of the Year in the Scioto Valley Conference. Delbert Tatman was selected to the all SVC team. Charlie Thurston received honorable mention. Second year coach Harry Smittle was selected Co-Coach of the Year. '76 was certainly the year of the Pioneer.

Reserve Basketball

The Zane Trace Junior Varsity squad ended their season with a 7-9 won-lost record. Leading the way for the Pioneers was second-year coach Bob Brown. The Reserve's season would probably be termed as "up and down." Brown felt that seven games were won, three were lost, and six were given away.

Midnight Rendezvous

. . . And, what a rendezvous it was with all the thrill, heartbeat, and smiles. All the guys and dolls were dressed as never, ever before. For some, it was a very magic moment. The decor swept us away to romantic Paris.

The entire evening held us in a spell as we whirled away the hours with chatter, laughs, and swirls and swirls of pretty skirts. The Junior Class did a great job of entertaining and the seniors did a great job of enjoying.

In the Name of the Father, and of the Son, and of the Holy Ghoſt. Amen.
OUR Father, which art in Heaven, hallowed be thy Name; thy Kingdom come, thy Will be done on Earth, as it is in Heaven. Give us this day our daily Bread; and forgive us our Treſpaſſes, as we forgive them that treſpaſs againſt us; And lead us not into Temptation, but deliver us from Evil. Amen

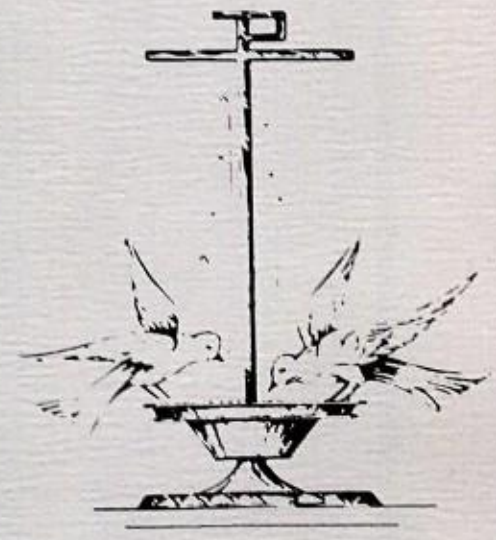
Bob Senff

With Fond Memories

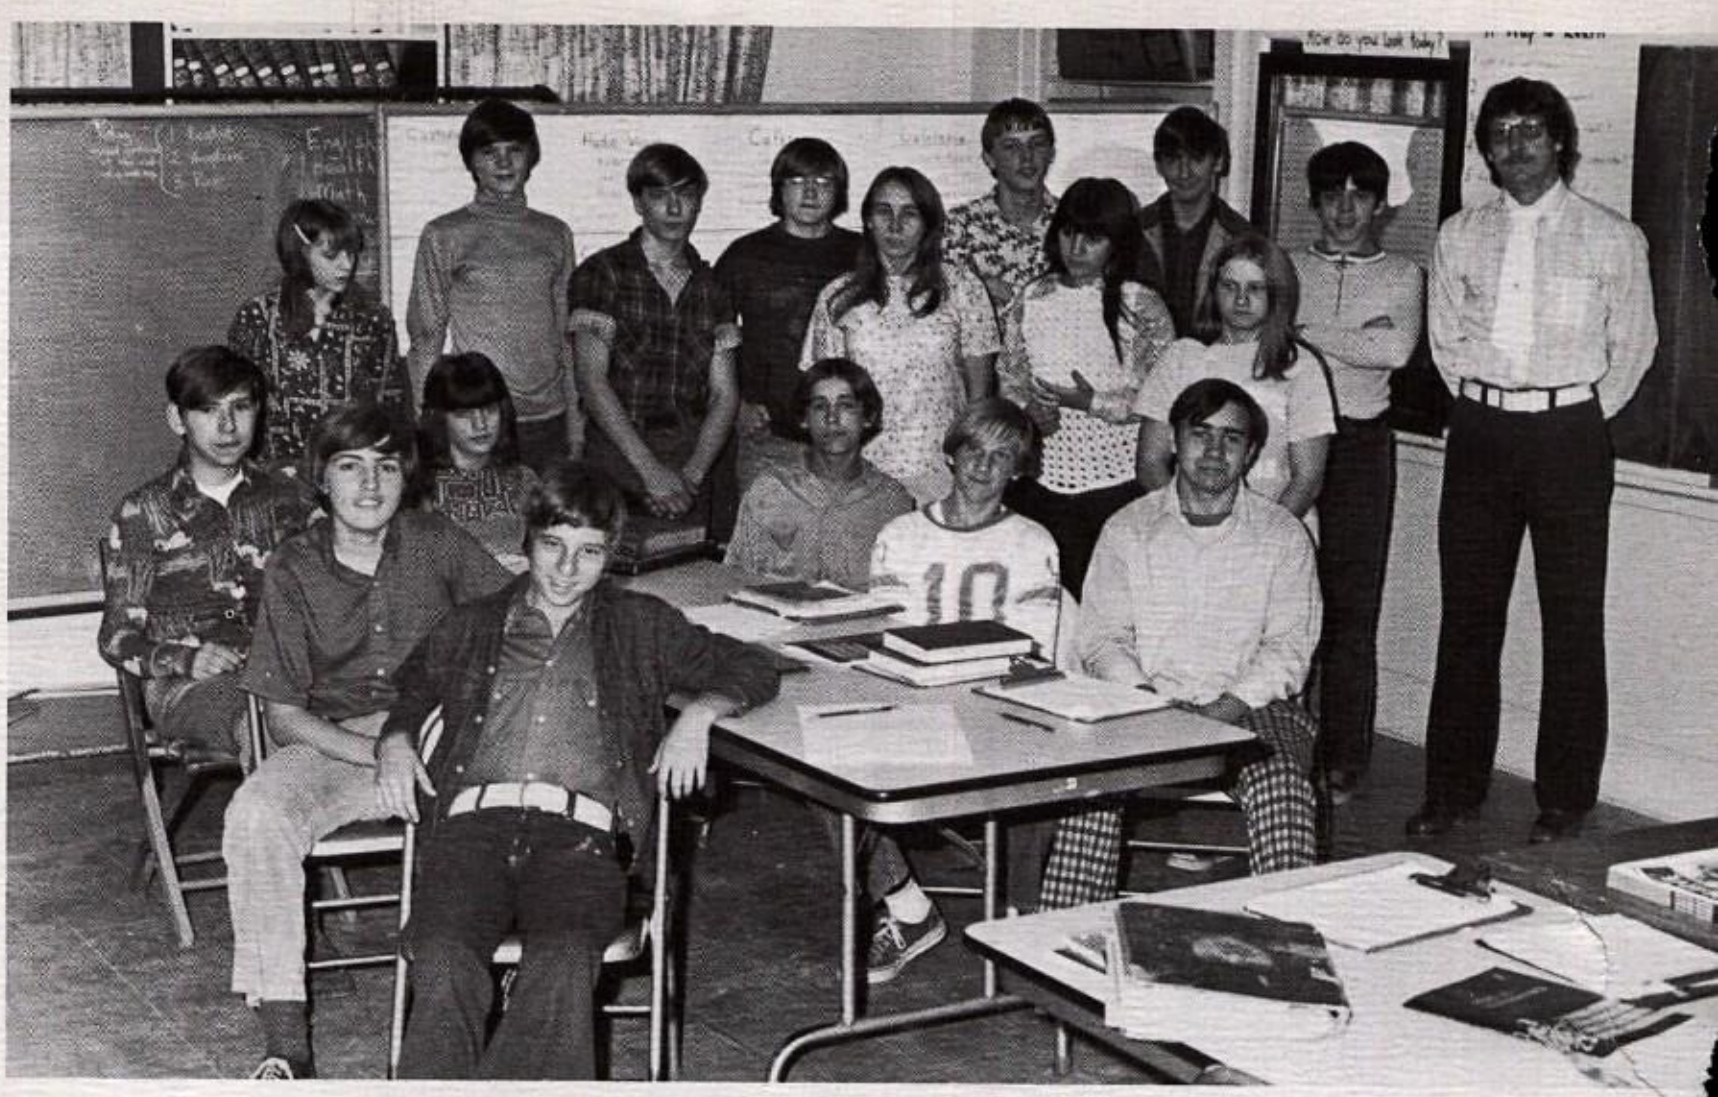
BOB SENFF helped to make our days at school a little more enjoyable. He could cheer up the students, staff, and his co-workers. His philosophy was honesty and thoroughness. Bob gave substance to the saying, "If a job is worth doing, it is worth
ing well." Mr. Senff was a lifetime resident of the Kingston area. His lovely sisters, Gertrude and
na, still live in Kingston. Bob was, among other abilities, a very capable musician. For many of us, we
ll never hear a piano again without thinking of Bob and how he could make the ZT corridors ring and
ho as he played the favorites.

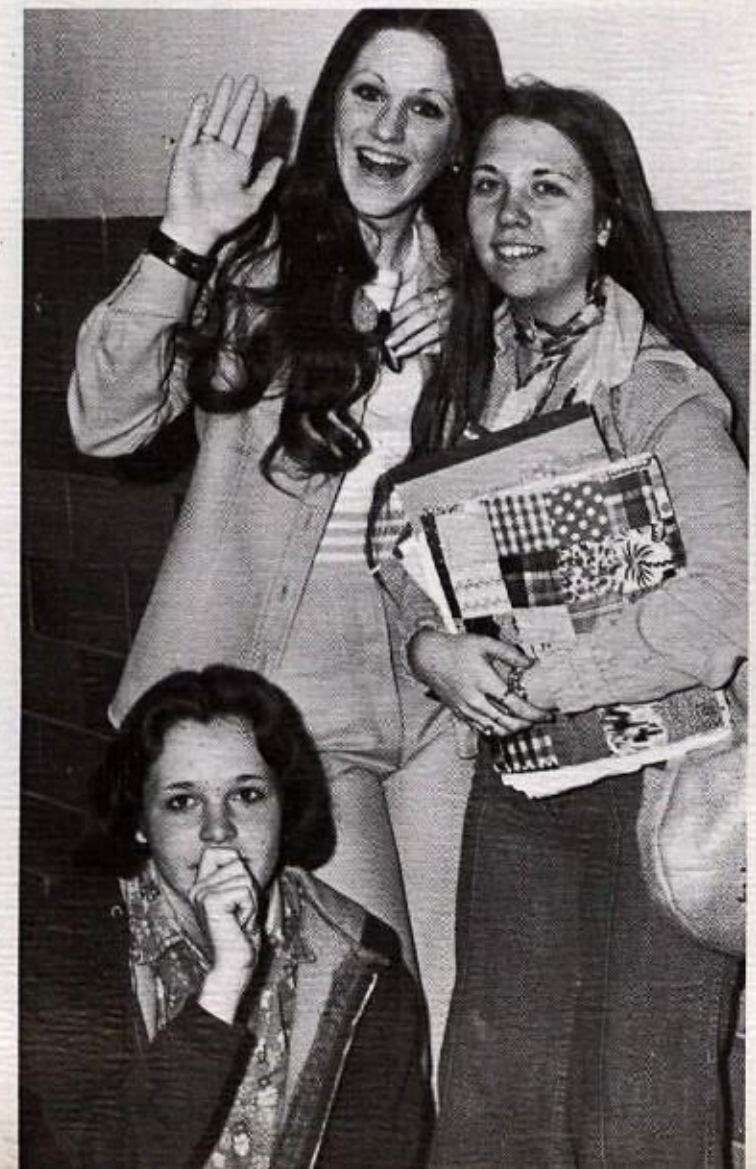
Student HARRY BLAKENSHIP, a freshman, will always be remembered as a person of great cour-
e. Each day he seemed to live life to its fullest. Harry's enthusiastic attitude toward his responsibilities
still admired by all who knew him. He was very active in school activities as well as outside activities.
eople such as Harry and Bob have
riched our lives for having known
em. The Scripture reveals and
mforts as we who are left struggle
with life.
's the little things that matter,
That add up in the end . . .
the priceless, thrilling magic
Found only in a friend!

The righteous shall be in
erlasting remembrance."
Psalm 112:6



Mr. Hoffner and Group





As the old school bell is put to rest and the 1976 school year draws to a close, the Musket Staff thought it fitting to make this production our final salute to our founding fathers and the Bicentennial.

"We've come a long way baby." From the Atlantic in a sailboat to the moon in a spacecraft. Our slice of Americana includes the light bulb, telephone, autos, radar range & weather, high-rize homes, plastic faces, transplants, TV, quadra-sonic psychadelic sound, vacinations, instant food, instant love, CB radios, computerized dates, & dial-a-prayer. And, nowhere is our progress more apparent than in our teachers, our, curricula, our students, our schools.

However, there's a much greater distance for us to travel. And, that's what makes our lives, and the times we live in so challenging. Our schools are on the threshold of vast new educational experiences. Teaching & learning are undergoing far-reaching dynamic change. We leave the implementation of those changes to the experts in the educational field, for they have the training, the forsight and the special talents so necessary for carrying them out. Our yearbook as a history of life at Zane Trace, also has far to go before it will realize its full potential. That is our strong point. We look back lightly to our humble beginnings and amuse ourselves with a few details of how things must have been, may we look seriously forward toward future goals.

MUSKET gives a fond farewell to olden days

and an enthusiastic hello to what lies ahead.

"Day unto day uttereth speech, and night unto night sheweth knowledge."

Psalm 19:2
